FAQs

How far / long is the snowshoe?

- All tours are about 1.5 hrs. of snowshoeing with lots of stops for photos and enjoying the scenery.

Is it strenuous?

- Not with the modern snowshoes. It's like floating/walking on snow.
- If you can walk, you can snowshoe.
- This is a back-country/wilderness snowshoe experience.

Will we be walking on flat trails?

- Not unless requested...please tell guide before leaving on snowshoe tour that you'd like to stay on flat trails...otherwise the group is often off trails, on rolling terrain and sliding or running down slopes.

Can I bring my dog?

- Not on the tour. Please ask about Doggy daycare if required.

Details on All Tours Including Special Event Tours
